1954

HISTORY

The Milwaukee Radio Amateurs' Club, Inc., was founded in January, 1917, by Loy Schell Hillegas-Baird and other local radio amateurs, for the purpose of banding themselves together into a non-commercial organization which could champion their cause and provide means whereby their knowledge of radiotelegraphy, radiotelephony, and allied subjects could be collectively increased.

In December, 1919, the Club became affiliated with and now constitutes the Milwaukee chapter of local section of the American Radio Relay League, Inc., which is a national non-commercial association of radio amateurs, (with executive headquarters at West Hartford, Conn.) bonded for the more effective relaying of friendly messages between their stations, for legislative protection, for orderly operating, and for the practical improvement of short-wave two-way radio communications. "Of, by and for the amateur," the League numbers within its ranks practically every worthwhile amateur in America and has a history of glorious achievement as the standard bearer in amateur affairs.

The Club meets weekly at 8:00 P.M., Thursday, in the Auditorium of the Milwaukee School of Engineering, except during the months of June, July and August. Visitors and prospective members are welcome at all meetings.

Officers and Directors

1953-1954

OFFICERS

President.....	Kenneth W. Eggert.....	W9MOT
1st Vice-President.....	Frank Seboth.....	W9NLY
2nd Vice-President.....	Carroll W. Thomas.....	W9WK
Secretary.....	Will E. Herzog.....	W9LSK

Get on 2 Meters in a Jiffy

With

MOTOROLA

FIXED FREQUENCY F.M.

**Customized Equipment*

Did you know there are approximately 100 Amateur Stations in the Chicagoland Area operating both mobile and fixed on 147.5 MC? Transmitters and Receivers are FM and operation both fixed and mobile is a joy to experience. No TVI at your fixed location and no ear splitting ignition noise in your car. You turn on your receiver at home or in your car—if some station is there you break in and you're in QSO. If all is quiet you give out with your call, usually just once, and Presto! somebody comes right back to you. The band is monitored practically 24 hours a day.

In addition, this frequency and one or two others close by are being set up for use in Civilian Defense. If you are in this net you can be a part in the emergency network being set up.

MOTOROLA furnishes **complete** package units for both fixed and mobile stations, ready to install at home or in your car—YOU CAN BE ON 2 IN A JIFFY.

Write or phone **HARRY HARRISON, W9LLX**, who will give you full details.

*This is equipment returned from the field and is rebuilt for Amateur Use.
